# Presidents Report

This season has been a momentous one with the baptism of our new Turf pitches, the committee made this decision with the future at the forethought for the club.

This has committed the club to extra financial pressures but the benefits are going to be huge moving forward into the future.

I must make a special mention of club stalwart Sean Medlen and Harry Medlen for their untiring efforts in preparing arguably the best pitch in the GSCA, it takes upwards of fifteen hours each week to achieve their results.

With two senior teams and two junior teams the growth of the club is continuing, with the B grade making the finals and the C2s just missing out, our performances are improving each year.

Tonight we are here to celebrate the season and to award the winners of the trophies for their outstanding achievements this season.

Tony Eden

# Senior Coaches Report

Season 2022/23 should be viewed as a successful season for the VHCC Senior sides. To have both senior teams sitting in finals contention until the last round, and to have the B Grade progress to an elimination final are indicators that progress is tracking in the right direction. Wins early in the season were important in this regard, and I hope that the disappointment of a finals loss will serve as a benchmark for where the club needs to continue to improve to contend. Well done in particular to the B Grade team who hopefully are keen next season to continue this progress and look to get a few wins back against teams who got past us late in the season.

Well done to both our Senior Grade captains in Josh Boyko and Dave Atkins, much of their work is not done on a Saturday but during the week with organising sides to put on the park. Well done as well to everyone who is involved each week with pitch preparation at VH Oval. With having a turf wicket as our home ground, we should look to exploit this advantage over other sides further as our experience improves over the next few years.

I hope everyone is keen to return next season, with more continued improvement I have real confidence that our Senior teams can have finals success next year, as we continue to work towards the VHCC returning to A Grade ranks in the near future.

## **Captains Report**

Our season this year got off to a great start, we got a few early wins which is always good to get so then we can set ourselves up for the back end of the season. As the season went on we continued to do well especially in our bowling as we bowled teams out for under 100 numerous times. That gave ourselves every opportunity to play finals and give it a real crack of winning the competition.

Unfortunately in our last few games we fell away and going into finals you want momentum. We unfortunately lost our first final and our season was over. I am extremely proud of everyone for the effort they put in and every single person throughout the year had an impact on a game that resulted in us winning, which shows we have a lot to look forward to in the coming seasons if we stick together.

Finally I would like to thank everyone that help us throughout the season filling in so we would always have a full team and give ourselves the best chance of winning.

Joshua Boyko

## Captains Report

Battlers is the best way to describe the team this season. We had key players missing at times but those that played C2s gave everything they had and were in the finals mix right to the end. We had some great individual and team performances and I couldn't have been more proud of all those who played under me.

# A Grade T20

Captain: Joshua Boyko

## Captains Report

We entered into the T20 competition for another go as we enjoyed it that much why wouldn't we go back. This competition is a good learning experience for us as we get to play against some good cricketers. We knew going into it winning wasn't going to be easy but all I asked for was to give it our best effort and the boys definitely did that. We unfortunately didn't win any of the three games but during each game I thought we had moments where we were in with a good chance against good cricketers which shows if we continue to improve we will take those opportunities in those moments and turn them into winning games. I would like to thank Cameron Jones for doing all the organising so we were able to play in this competition again. We look forward to doing it all again next year.

**Captains:** Jed Gray and Takaya Norris

**Coach:** Kelvin Norris

## Coaches Report

Season 22-23 was a difficult year for our team but through it all we can stand proud we learned and grew as a team and by season's end showed our unity, resilience and growth.

We welcomed new players and saw under 12 players step up to fill roles in the side and a few of the senior players stepped up to fill in for the C2 side when needed and made valuable contributions.

Our bowling and fielding was our strong suit at the start of the season we managed to bowl sides out, hold our catches and take our run out chances. This continued through the season, but the real growth came in the batting as we were bowled out early after 19 overs in the first game of the season but finished the season by seeing out 27 overs (playing 2 short) and then 37 in the last game.

What I think we can be most proud of is the personal growth, we all showed up and played every game we could and put in 100% knowing the games had been won on the first day in some cases this shows a high level of commitment, the unity and bond that was developed and showcased in the last game when the girls were under fire from the opposition and the way our boys stepped in and stood up for them shows true integrity.

I hope you all stay playing this game we love and remember to have fun while doing it.

# Under 12s

Coach: Tony Eden

## Coaches Report

At the start there were only seven boys but through word of mouth that number increased to eleven by season's end.

Except for four the team were new to cricket and they were keen to learn.

Their skills improved over the season and they were involved in many close matches.

They bonded as a team and always supported each other. Culminating in the final match against Encounter Bay who had more experienced players but we challenged them only losing by ten runs, but importantly all players contributed and supported each other.

As coach I thank the parents for their support and the boys for their enthusiasm making my task very enjoyable.

Tony Eden
